LET US HELP PROTECT YOURS

REME·HALO®zero

With aGHP-Cell™ Technology

Whole Home or Building Air Purification System

REME HALO®Zero utilizes RGF's proprietary aGHP-Cell™ technology to create low level, airborne Hydrogen Peroxide (aGHP®) throughout the air-conditioned space reducing bacteria, viruses, odors, and mold along with allergens and dust at the source.

Features and Benefits

- Reduces bacteria, viruses, odors, and mold spores along with allergens and dust
- Verified zero ozone (UL 2998)
- Installs into existing air conditioning or heating system air ducts
- Actively purifies air pollutants at the source using aGHP-Cell™ technology
- Recreates nature's process of purifying the air
- 5 year limited warranty

The REME HALO® Zero Whole Home or Building Air Purification System

ITEM#

ZERO-H4-AC

REPLACEMENT CELL

PHIC-RH -3 / Recommended after 2 years

WARRANTY

5 year limited

MATERIALS

Aluminum / Polymers

Equipment Complies with the principle protection requirements of:
UL 60335-2-40:2022 Fourth Edition (4Ed) and
CSA 22.2 No. 60335-2-40:2022 Fourth Edition (4Ed)
CSA C22.2 No. 250.0:2021 (5Ed), plus (+) Updates (U) + U1:2021-06
UL 1598:2021 (5Ed), plus (+) Revisions (R) + R:2021-06
