REME HALO®Zero Whole Home Air Purification System

REME HALO®Zero whole home air purifier improves air quality throughout your air-conditioned living space. Easily installed in new or existing air conditioning system ductwork, REME HALO®Zero actively reduces airborne bacteria, viruses, odors, mold and allergens to maximize indoor air quality. A new Countdown Day Timer offers visual indication for when it's time to replace your aGHP® cell.

REME HALO®Zero in-duct air purifier is verified Zero Ozone to the UL 2998 standard.

Why use RGF's REME HALO®Zero?

RGF is a leading manufacturer of Indoor Air Quality (IAQ) devices with a long history of innovation, testing and validation. REME HALO®Zero can be installed in any HVAC system to improve air quality throughout the air conditioned space. Verified Zero Ozone to UL 2998, REME HALO®Zero continuously operates in your air conditioning system to reduce airborne pollutants. By incorporating ionization with airborne Hydrogen Peroxide, REME HALO®ZERO provides the most advanced means for inactivating all types of air and surface microbial hazards and reducing airborne particulates.
